POOL/SPA HEAT TERMS & CONDITIONS:

Pool heat is available to guests and strongly encouraged for stays in the winter months. If you did not request pool heat when placing your booking and would like to add this service, please contact us at least a week prior to your arrival, as most pools take up to 24-48 hours to heat from the time it is turned on. If you arrive and wish to add this service, there is a USD 25.00 call out fee in addition to the daily pool heat fee of \$30.

Pool heat is set between 83°F and 89°F. We are unable to adjust this setting. If the temperature is in this range and it is not comfortable for you, the only option would be to turn the pool heat off. There are no refunds provided when this situation occurs.

Spa Heat

If the home has a spa, you must purchase pool heat for it to be warmed. The spa can only be heated by the pool heater. If you purchase pool heat, the pool and the spa can only be heated to the same temperature, as the spa is not a hot tub.

Pool Heat and Extreme Low Outdoor Temperatures

All pool heaters have electrical/mechanical components, which automatically shut off if the outside temperature drops below 50°F. This is a protective mechanism to prevent the pool pump from breaking by over exhausting to compensate for the cooler weather. In this case, the water temperature will indeed fall. Heat will automatically restart once the outside temperature reaches 50°F. Please note there are no refunds provided when this situation occurs.

GENERAL INFORMATION AND GUEST EXPECTATIONS:

Our goal is to provide you with a first-rate vacation rental. One way we are able to offer exceptional accommodations while keeping our rates modestly low is by our guests caring for our homes with great consideration. Below are key policies that we must enforce. Please adhere to these policies. **Additional fees will apply if these points below are not followed or accommodation is found to be in a condition, which renders it unable to be rented to the next arriving guest. Any such fees will be charged to the credit card on file and, when necessary, deductions from security deposits will be made.**

No Smoking: Smoking is not allowed on the property. A cleaning fee of USD 350.00 plus tax will be assessed to any guest violating the smoking policy to cover extra costs for sanitizing the home.

No Pets: Pets are not allowed in the home. If a pet is in the home, the guests will be asked to vacate the property without a refund. A cleaning fee of USD \$350.00 plus tax will be assessed to any guest violating the pet policy to cover extra costs for sanitizing the home.

See addendum to Pet policy below.

Maximum Occupancy is strictly enforced based on Florida Statutes. There shall be no more than the maximum number of guests allowed by law. The maximum number of guests varies by category and this information is noted on the website from which you made your reservation. If our team finds that you have more than the maximum occupancy at the home, we will require you to vacate the property without refund. This includes family and friends visiting. Also, the lead guest on the reservation must be staying in the home for the entire stay. If the lead guest is not staying in the home, this makes the reservation void and the group must leave the home without a refund for the rental.
