Hey Scott this is Ken Schmidt he's not business supervisor. I reviewed most of the call that you asked me to. I did find some inconsistencies. It is now been escalated to Hughes net Management. They should have a final evaluation and should be contacting you or or account holder I forgot what's her name Andy Mandy otherwise you should hear from them within 24 to 48 hours otherwise my number 844-519-2520 thank you.
